

GENEVA POLO CLUB SOCIAL MEMBERSHIP

Dear Friends and Polo Aficionados,

The 2011 polo season begins in early spring, and just like previous seasons, we are planning a number of exciting polo and social events at the club.

As always, the GPC does not compromise on the friendly and open club spirit and we constantly strive to develop a relaxed and beautiful environment where friends and family can gather for fun, competitive polo, and innovative and exciting social and theme events.

“Let the good vibes roll”!

We look forward to welcoming back our social members from last season and are very excited to meet new friends who wish to come and enjoy exciting polo and great events. The GPCs Social memberships are extended to select friends and supporters to enhance social activities and support the development of the club. In return, members receive a free polo lesson, discounted entry to events, a GPC shirt and cap most importantly, your membership is a great way to help support the club!.

Located just 15 minutes outside downtown Geneva, the GPC with its regular matches, cocktail & asado BBQ parties, is the ideal place to socialize with friends or make new contacts in a glorious setting.

The Social Membership fee for the 2011 season is CHF300 and can be paid by postal transfer or in cash. Sign up details are below or for questions please contact events@genevapoloclub.com

We look forward to welcoming you as a GPC Social Member and seeing you soon at the club!
